

Exploring Discourse in Context and in Action 2017 (Paperback)

Filesize: 4.96 MB

Reviews

It is simple in study easier to fully grasp. It is definitely basic but unexpected situations within the fifty percent in the ebook. I am delighted to let you know that this is actually the finest publication i have got read inside my own life and could be he very best ebook for actually.
(Destiny Walsh)

EXPLORING DISCOURSE IN CONTEXT AND IN ACTION 2017 (PAPERBACK)

[DOWNLOAD](#)

Palgrave MacMillan, United Kingdom, 2017. Paperback. Condition: New. 2017 ed.. Language: English . Brand New Book. This book combines an authoritative examination of the field of discourse-based research with practical guidance on research design and development. The book is not prescriptive but instead invites expansive, innovative thinking about what discourse is, why it matters to people at particular sites and how it can be investigated. The authors identify a set of questions that, they argue, are crucial for understanding discourse. Part I of the book explores the implications of these questions, providing a comprehensive survey of relevant scholars, theories, concepts and methodologies. Part II addresses these implications, setting out a multi-perspectival approach to resourcing and integrating micro and macro perspectives in the description, interpretation and explanation of data. Part III offers wide-ranging resources to support further reflection and future research. Ultimately, this book offers a new research approach for students, researchers and practitioners in Applied Linguistics to encourage and support research that can be truly impactful through its relevance to social and professional practice.
