Dover Publications Inc., United States, 2008. Hardback. Condition: New. Language: English . Brand New Book. A delightful mixture of early American know-how and good old-fashioned gentility, Eric Sloane s Do s and Don ts captures the spirit of bygone America in words and pictures. Combining two of the beloved folk historian s nostalgic how-to guides, this collection offers vintage, homespun advice that recalls the joy of doing things not just the old-fashioned way, but plainly the right way. A shining historical gem, this little book of American lore recalls a more kindly, less hurried time. Lovingly gathered by Mr. Americana himself from colonial-era almanacs and diaries, hundreds of brief reflections spread time-honored wisdom on everything from curing hiccups, lighting a proper fire, and mending clothing and furniture, to predicting the weather, making soap, and getting rid of ants, bees, swallows -- and boring houseguests. Sloane s evocative drawings add the perfect finishing touch.
