Reviews

A new electronic book with a new point of view. it was writtern extremely completely and beneficial. Its been written in an extremely straightforward way in fact it is simply following i finished reading this publication through which really altered me, alter the way i really believe.

(Dr. Florian Runte)

THE ACCELERATI TRILOGY BOOK TWO, EDISON S ALLEY

Disney-Hyperion, United States, 2016. Paperback. Book Condition: New. Reprint. 188 x 130 mm. Language: English . Brand New Book. Fourteen-year-old Nick has learned that the strange antiques in his attic bedroom were left there by the eccentric inventor Nikola Tesla. They are pieces of Tesla s Far Range Energy Emitter, capable of transmitting free energy to the globe. Some components of the contraption are still missing, but the objects themselves seem to be leading Nick and his friends to their current owners. However, members of the Accelerati, a menacing secret society of physicists, are on the hunt too, and their brazen leader, Dr. Alan Jorgenson, will stop at nothing to foil Nick and steal the objects. It takes a dangerous build-up of electromagnetic energy in the atmosphere to reverse everyone s fortunes--and lead Nick to his destiny. Readers who enjoyed the strange science, quirky humor, and out-of-this-world plot twists in Tesla s Attic will be captivated by this second book in the electrifying Accelerati Trilogy. Praise for Tesla s Attic Lively, intelligent prose elevates this story of teenagers versus mad scientists, the third-person point of view offering a stage to various players in their play of galactic consequence. A wild tale in the spirit of Back to the Future, with a hint of Malamud s The Natural tossed in. --Kirkus Reviews This collaboration between Shusterman and Elfman tempers the scarier elements of Nick s quest with deft, humorous writing and plenty of the ordinary adventures of a new kid in school finding his niche. Hand this one to fans of Rick Riordan s Kane Chronicles or Kenneth Oppel s Airborne. --Booklist * . Shusterman and Elfman have crafted a plot more devious, characters far quirkier, climaxes (yes, there are two) more breathless, and a narration much, much funnier than recent...
