ZONDERVAN, United States, 1993. Paperback. Condition: New. Revised ed.. Language: English . Brand New Book. The charismatic movement of the past quarter-century has made an impact on the church unparalleled in history. But one legacy of the movement is confusion and mushy thinking. In *Charismatic Chaos*, John F. MacArthur calls for biblical evaluation and analyzes the doctrinal differences between charismatics and non-charismatics in the light of Scripture. My principal concern, writes John MacArthur, is to call the church to a firm commitment to the purity and authority of the Scriptures, and thereby to strengthen the unity of the true church. To tough questions that seem to divide, *Charismatic Chaos* provides tougher answers that strive to unite. This book tackles such questions as - Is experience a valid test of truth? - Does God still give revelation? - Prophets, fanatics, or heretics? - Does God still heal? - What should we think of the Signs and Wonders movement? - Does the Bible promise health and wealth?.
