METHODS OF WELDING METALS (CLASSIC REPRINT) (HARDBACK)

Forgotten Books, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Methods of Welding Metals The welding of brass, copper, and some other metals, is im practicable by the old hand method since copper would need to be raised to a very high temperature as compared with iron, and it is then.hightly oxidizable and liable to form a scale difficult to treat by any flux. It also passes quickly from the solid...

Reviews

The publication is great and fantastic. It can be filled with knowledge and wisdom You wont truly feel monotony at at any moment of your time (that's what catalogues are for about if you ask me).

-- **Dr. Marcos Grimes III**

The best book i at any time read. I am quite late in start reading this one, but better then never. I realized this publication from my dad and i advised this book to understand.

-- **Raina Simonis**
