

## Protocols of the Learned Elders of Zion (Paperback)

By Sergei Nilus

Createspace Independent Publishing Platform, 2014. Paperback. Condition: New. Translation. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The Protocols of the Elders of Zion is a tract alleging a Jewish and Masonic plot to achieve world domination. Purportedly written by a secret group of Jews known as the Elders of Zion, the document underlies 24 protocols that are supposedly followed by the Jewish people. The Protocols has been proven to be a forgery. The forgery contains numerous elements typical of what is known in literature as a False Document a document that is deliberately written to fool the reader into believing that what is written is truthful and accurate even though, in actuality, it is not. It is also one of the best-known and most-discussed examples of literary forgery, with analysis and proof of its fraudulent origin going as far back as 1921. The forgery is also an early example of Conspiracy Theory literature.
