HOWLY vargin! what is that? exclaimed Mickey McSquizzle, with something like horrified amazement. By the Jumping Jehosiphath, naow if that don t, beat all natur ! It s the divil, broke loose, wid full steam on! There was good cause for these exclamations upon the part of the Yankee and Irishman, as they stood on the margin of Wolf Ravine, and gazed off over the prairie. Several miles to the north, something like a gigantic man could be seen approaching, apparently at a rapid gait for a few seconds, when it slackened its speed, until it scarcely moved. Occasionally it changed its course, so that it went nearly at right angles. At such times, its colossal proportions were brought out in full relief, looking like some Titan as it took its giant strides over the prairie. The distance was too great to scrutinize the phenomenon closely; but they could see that a black volume of smoke issued either from its mouth or the top of its head, while it was drawing behind it a sort of carriage, in which a single man was seated, who appeared to control the movements of the extraordinary being in front of him.
