

The Roswell Encyclopedia

By Kevin D. Randle

William Morrow Paperbacks. Paperback. Condition: New. 416 pages. Dimensions: 7.8in. x 5.2in. x 1.0in. On July 6, 1947, rancher Mack Brazel walked into the sheriff's office in Roswell, New Mexico, to report some strange debris in one of his fields. The incident was the culmination of several reports of strange lights, sounds, and shapes in the sky; the beginning of a series of government statements, retractions, and denials; and the subject of a thousand conflicting stories. What actually happened at Roswell—and how the government reacted to the case—has been in dispute for more than half a century. Now this unique reference guide, by one of the best known and respected Roswell experts, presents a mountain of pertinent information in an easy-to-use A-to-Z format, including facts, theories, people, objects, observation, and events. Exhaustive, up-to-date, and compelling, The Roswell Encyclopedia will help you come to your conclusions about an incident that continues to mystify and fascinate believers and skeptics alike. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
