Reviews

This is an amazing book that I actually have actually read through. I am quite late in start reading this one, but better then never. You will not truly feel monotony at anytime of the time (that's what catalogs are for concerning should you ask me).

Building confidence through authentic tasks, the two-stage series trains students to be effective communicators in the workplace. It also provides students with a solid grammar and vocabulary base, with language items clearly presented and practiced throughout. Grammar back-ups, "Wordfiles" and "Phrasebook" entries provide an at-a-glance reminder of key grammar, vocabulary and functional language. The workbook contains additional activities for use either in the classroom or for self-study. 52 pp. Englisch.
