

Bloodshifted

By Cassie Alexander

St. Martin's Press. Paperback. Book Condition: New. Mass Market Paperback. 304 pages. Dimensions: 6.7in. x 4.1in. x 0.9in. Ambushed. Blindfolded. Kidnapped by vampires. Edie Spence must race against time to save herself and her baby from the nightmare that flows through her veins. As a nurse in the hospital's secret Y4 ward, Edie has seen her share of daytimers. Once-ordinary humans who've tasted vampire blood, daytimers are doomed to serve their nighttime masters. Forever. And now Edie has to face something even more horrifying: she's become one too. BLOODSHIFTED. Abducted by the vampire Raven, Edie is taken to the catacombs beneath the Catacombs, an ironically-named L. A. night club that supplies fresh blood and other favors for its vampire Masters. Edie has no intention of swapping her nurses uniform for a cocktail dress when her newborn infant needs her. But if she and Asher, her shapeshifter fiancé, can figure out a way to bleed Ravens power, they may never get out of this plasma-soaked pleasure palace, undead or alive. Alexander takes her noir urban fantasy to a new level: a lively, addictive story that leaves you wanting more. RT Book Reviews on Shapeshifted: Cassie Alexander's first book about Nurse Edie Spence is dark and energetic. You'll really enjoy it...

Reviews

The very best publication i possibly read. it was writtern very perfectly and useful. Once you begin to read the book, it is extremely difficult to leave it before concluding.
