Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Essential Oils 70 Recipes Every Essential Oil Beginner Should Try Essential oils have been around for centuries, and there is little wonder as to why they are becoming increasingly popular as time passes. Not only are they all natural, but they are relatively inexpensive for the amount of uses you can get from them, and they are readily available. You know you don t like all of those pills they offer for everything that goes wrong these days. It seems whether you are suffering from a headache, a backache, a heartache, or just an ache they give you some sort of pill that is supposed to do wonders. But, for all of the good each pill is supposed to do, there s a list a mile long of all the bad side effects you have to stay away from or watch out for, and you know you don t want to deal with any of those. So what are some all natural options that you can use for yourself and your family that are safe, easy to use, and readily available? Obviously, the answer is essential oils, and that is what this book is full of. I am going to show you the secrets you need to using essential oils for everything in your life. Whether you are dealing with aches and pains, illness, mood control, or just want to reap the excellent benefits that come from these wonderful oils, you are going to get what you need here. Let me show you exactly what you need to do to gain the incredible benefits in every aspect of your life. You will never view remedies the same way again....
