

Miracles: God's Signature (Paperback)

By Winner Torborg

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Miracles are acts of God that cannot be rightfully explained. Atheists have seen God's actions and have tried to explain them, but since they couldn't they got frustrated and claimed that, there is no God; so this must have a scientific explanation. I'm no scientist so I don't need to know the explanation. The only explanation for a miracle is God is real and He loves us. This book holds just a few testimonies of personal miracles, that is miracles that have happened in a person's life that helped them to live a productive and fulfilling life. We plan to publish more miracle testimonies because they overcame him by the blood of the Lamb, and by the word of their testimony; and they loved not their lives unto the death, (from Revelation 12:11 King James Version). And Miracle testimonies go to speak of the proof of God.

Good e-book and helpful one. It can be written in basic phrases rather than confusing. I realized this ebook from my i and dad recommended this book to find out.

An incredibly great book with perfect and lucid answers. Better than never, though I am quite late in starting reading this one. You will not sense monotony at whenever you want of the time (that's what catalogues are for relating to if you question me).
