THE ADVENTURE OF BEING: SELF-KNOWLEDGE THROUGH LIFE EXPERIENCES (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The Adventure of Being: self-knowledge through life experiences, is the result of 19 years of living and discovering that life can be difficult, that yes, we are going to have a lot of challenges that we might think the challenges can brake us, but if we look deep inside of us, we have the strength as well as all the answers that we need to live our lives. Life is an adventure that can be pleasant or not, with changes that we might need to make to be able to learn, grow, overcome obstacles and continue our journey through life. After a challenging marriage and separation I was able to turn around my life with trusting in myself and in all what I found inside of me. We all are connected to our source, even if we recognize it or not, we all are part of life and it depends on us in how we want to live, victorious or martyrs, to be happy, positive every moment of our lives, or be miserable. The decision is ours and the more you recognize that if we want love, acceptance, respect, motivation, trust, we need to start with ourselves. I really hope this book can help you as it has helped me discover that we all have a gold mine inside of us!.
