*A brand new electronic book with a new standpoint. It is written in basic phrases rather than confusing. It has been designed in an extremely basic way which is merely right after I finished reading through this publication where it basically altered me, change the way I believe.

CONVERSATIONS WITH AN ANGEL: THE WATCHERS (PAPERBACK)

Lulu.com, United Kingdom, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book goes into how an Angel that has watched over us, loved us and has tried to push the greatness that resides in humanity sees us, our problems, and different aspects about how we see and deal with life s events and challenges. Rather than looking at subjects in a short view, you have the wisdom of a being that has thousands of years of experience seeing time after time the same things going on in people s lives; everything from love to hatred, from peace to war, anger to peace and acceptance to prejudice. Hopefully you will walk away after reading the unique perspective seeing things in a different light. If you love poetry, the author starts off most chapters with poems that he has personally written with his view or experience about the subject.
