New Directions Publishing Corporation, United States, 2007. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Our hero, Jaime Deza, separated from his wife in Madrid, is a bit adrift in London until his old friend Sir Peter Wheeler--retired Oxford don and semi-retired master spy--recruits him for a new career in British Intelligence. Deza possesses a rare gift for seeing behind the masks people wear. He is soon observing interviews conducted by Her Majesty's secret service: variously shady international businessmen one day, would-be coup leaders the next. Seductively, this metaphysical thriller explores past, present, and future in the ever-more-perilous 21st century. This compelling and enigmatic tour de force from one of Europe's greatest writers continues with Volume Two, Dance and Dream.
