

Queen City Gothic: Cincinnati's Most Infamous Murder Mysteries (Paperback)

Filesize: 6.25 MB

Reviews

*A top quality ebook and the typeface used was interesting to read through. It is rally intriguing throgh reading through period. You wont feel monotony at anytime of the time (that's what catalogues are for relating to when you ask me).
(Estelle Donnelly)*

QUEEN CITY GOTHIC: CINCINNATI'S MOST INFAMOUS MURDER MYSTERIES (PAPERBACK)**DOWNLOAD**

AUTHORHOUSE, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Losing a loved one to murder is life's ultimate tragedy. But when the killer is never captured, a family's paralyzing grief only compounds. Years pass. Pain grows. Time heals nothing. Parents, spouses, and children of the victims never find peace. Investigators continue to lie awake night after night, year after year, thinking, If only. Cold cases fascinate us because of the endless possibilities. What if Alice Hochhausler hadn't driven her daughter home from work while a strangler was running loose? What if Oda Apple's wife hadn't sent him to the corner drugstore? What if Linda Bricca hadn't been so beautiful - and her husband not a workaholic? J. T. Townsend takes us on a sinister journey through thirteen cases, which took place in Cincinnati, Ohio, between 1904 and 1971. You'll meet Frances Brady, a pretty bride-to-be gunned down at her own front door. Tommy Coby, age eight, who arrived home to an empty house, and learned later his parents were lying dead in their car. Patty Rebholz, a popular cheerleader, who was bludgeoned in a neighbor's backyard while walking to break up with her teenage boyfriend. What do these cases have in common? A fleeting, irrational act of violence with no resolution. Somebody literally got away with murder. Each episode took place in sheer moments--but hundreds of innocent people still remember, still mourn, and are still haunted by horrible, unbearable images. Townsend's riveting accounts include never-before-published details from police files and insights from both investigators and witnesses. Finally someone has managed to put all of the pieces together. Whodunit? We'll never know for sure--but we can certainly make some informed, calculated guesses. Meanwhile,...
