CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 206 pages. Dimensions: 9.0in. x 6.0in. x 0.5in. Windows 8.1 (codenamed Blue) is an upgrade for Windows 8, a computer operating system released by Microsoft. First unveiled and released as a public beta in June 2013, it was released to manufacturing on August 27, 2013, and reached general availability on October 17, 2013, almost a year after the retail release of its predecessor. Windows 8.1 is available free of charge for retail copies of Windows 8 and Windows RT users via the Windows Store. Unlike service packs on previous versions of Windows, users who obtained Windows 8 outside of retail copies or pre-loaded installations (i. e. , volume licensing) must obtain Windows 8.1 through new installation media from their respective subscription or enterprise channel. Microsofts support lifecycle policy treats Windows 8.1 similar to previous service packs of Windows: It is part of Windows 8s support lifecycle, and installing Windows 8.1 is required to maintain access to support and Windows updates after January 12, 2016. However, unlike previous service packs, Windows 8.1 cannot be acquired via Windows Update. This updated and expanded second edition of Book provides a user-friendly introduction to the subject, Taking a clear structural framework, it guides the reader through the subjects core elements. A flowing writing style combines with the use of illustrations and diagrams throughout the text to ensure the reader understands even the most complex of concepts. This succinct and enlightening overview is a required reading for all those interested in the subject . We hope you find this book useful in shaping your future career and Business. This item ships from La Vergne,TN. Paperback.
