# Raising Chickens: The Beginners Guide to Care, Feed and Facilitate to Raise Healthy Chickens (Paperback)

Filesize: 4.92 MB

Reviews

A very wonderful book with lucid and perfect answers. It is probably the most incredible book i have study. Its been designed in an exceptionally simple way and is particularly just after i finished reading through this publication by which in fact transformed me, alter the way in my opinion.

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Large Print. Language: English . Brand New Book ***** Print on Demand *****. If you have ever contemplated the idea of getting involved in chicken farming, then this is the book that is going to make a huge difference. From guiding you through the process of setting up your own coop, to choosing the correct breeds, how to care for them and so much more, this guide will allow you to turn the chicken farming concept into something concrete. It used to be believed that this was only something that was done in the countryside, but that is no longer the case. Instead, individuals even in cities are making full use of small spare pieces of ground in their own back yard and converting them into their own small chicken farm. You will learn more about the space that you need and everything to do with getting those eggs to hatch and even how they are produced in the first place. The art of successful chicken farming does not involve some family secrets being passed down the generations. It is also no longer the domain of those individuals with vast yards or fields where the hens or chickens can roam free. Instead, anybody can be in a position to have their own chickens even if you are in the middle of suburbia. Throughout the course of this book, you are going to be surprised at just how little specialist knowledge you require in order to be a success . You will learn that it does not take as much as you thought to get started and that is often the huge advantage of chicken farming that is generally overlooked. Also, it was often felt that chicken farming was a difficult...
