Andrews McMeel Publishing, LLC, 2003. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.You couldn t find a more likable person than Sherman . . . except that he s a shark. Make that a great white shark and the star of Jim Toomey s Sherman s Lagoon, one of the funniest takes on life to be found above or below the water. So sit back and watch this shark hit his mark in The Shark Diaries: The Seventh Sherman s Lagoon Collection. Once again, the big-hearted but thick-skulled Sherman is joined in the deep by his Louis Vuitton-packing girlfriend, Megan, Fillmore the sea turtle, and a hermit crab named Hawthorne, among others. This salty crew swims through a world of witty observations, sharp rejoinders, and crystal clear views of everything from hairless beach apes to bulk shopping at the local Price Club store. The result is a humor soaked in fun yet just a shade drier than the Sahara. The Shark Diaries includes daily and Sunday strips. The silly yet sophisticated setups are front and center. Sherman and his buddies numerous neuroses can t be missed. The fun returns with a splash, and this one promises to be a whale-um, shark-of a winner.
