By -

Ceed Publishing, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book. Please note that the content of this book primarily consists of articles available from Wikipedia or other free sources online. The men's decathlon event at the 1936 Olympic Games took place between August 7 August 8. The 1936 Summer Olympics, officially known as the Games of the XI Olympiad, was an international multi-sport event which was held in 1936 in Berlin, Germany. Berlin won the bid to host the Games over Barcelona, Spain on April 26, 1931, at the 29th IOC Session in Barcelona (two years before the Nazis came to power). It marked the second and final time that the International Olympic Committee would gather to vote in a city which was bidding to host those Games. The only other time this occurred was at the inaugural IOC Session in Paris, France, on April 24, 1894. Then, Athens, Greece and Paris, France were chosen to host the 1896 and 1900 Games, respectively.

### Reviews

*A whole new eBook with a new point of view. It can be rally fascinating throgh studying period of time. I am delighted to explain how this is actually the finest book i have read through during my very own life and could be he best publication for at any time.*
