

Creating Animations in Adobe InDesign CC One Step at a Time (Paperback)

By Sandee Cohen

Pearson Education (US), United States, 2015. Paperback. Condition: New. Language: English . Brand New Book. Designers or other creative professionals who create digital documents are always looking for ways to make their products more appealing to the user. One way of doing that is to increase reader engagement by building interactive animated effects into their designs. Creating Animations in Adobe InDesign One Step at a Time teaches the reader not only how to add animation to their InDesign documents (via step-by-step exercises) but also helps the reader to choose among the various digital format options for export- ePub (concentrating on the new Fixed-Layout variety), DPS , and PDF. Clear explanations and plenty of full-color graphics will guide the reader through the potentially confusing digital publishing landscape. Adding animated effects in InDesign documents is a field set to grow. The practice was given a big push in the 2014 release of the Adobe Creative Cloud, when InDesign introduced the new Fixed-Layout EPUB export format. EPUBS exported in this format preserve the layout of the InDesign document, and can include animated effects as well as media, such as audio and video. Fixed-Layout EPUB has gathered a large following in a short time...

Absolutely among the finest pdf I have got possibly read. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.
