

Ministry with Youth in Crisis, Revised Edition (Paperback)

By Harley T Atkinson, W Lee Barnett, Mike Severe

CASCADE BOOKS, 2016. Paperback. Condition: New. 2nd ed.. Language: English . Brand New Book ***** Print on Demand *****. Ministry with Youth in Crisis is a comprehensive treatment of major adolescent crises related to life themes including self-identity, faith formation, family life, social relationships, sexuality, suicide, substance abuse, and eating disorders. The distinctiveness of this book is that it offers a fine blend of solid research, workable theory, and specific strategies for successfully ministering to and with youth in crisis. This volume, therefore, is both descriptive and prescriptive in nature, in that it describes the world teens live in and offers biblical responses for ministry. This book avoids no tough topic associated with the increasingly turbulent nature of adolescent angst in a postmodern environment, and cements its authoritative grasp of these complex topics by grounding its content in solid developmental and sociological research. The chapters on identity and faith development alone are worth the price of the book. --Mark A. Lamport, graduate professor at theological schools in the United States and Europe; coeditor of the Encyclopedia of Christian Education (3...
