Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Atalanta s Race: And Other Tales From the Earthly Paradise IN bringing this volume of selections from Tae Eartaly Paradise into suitable form for school reading and study, the desire of the editor has been to do whatever was possible to popularize the verse Of one of the great poets of the Victorian era. While William Morris has never been without a select circle of sincere admirers, his books have been left unread by the majority of readers, who have been deterred, it may be, by the great length of many Of his poems. When, however, he has once captured the attention of any one, the spell is never dissolved, the enchantment is never broken. The tales in Tae Eartaly Paraa z se, it seems to me, are particularly well suited to win the affectionate interest of younger readers, who, as a rule, care little for lyric verse, but are often enthusiastic admirers of epic poetry. Bearing this latter fact in mind, I have, in the preparation of the notes to these selections from Morris s verse, sought to give such help in elucidation as seemed need ful for the wants Of various grades of students, trusting that the beauty of the poetry and the interest Of the several narratives would foster a desire to know more intimately this great story-teller of our day.
