But to the physician of modern times motherhood has been robbed of many of its terrors, and the expectant mother now can joyfully look forward to be conducted safely through the puerperal condition, and fold her new-born babe to her bosom, with the satisfaction of achieving and performing the noblest and highest duty in life and that of love. 87 Washington street. DISCUSSION. Dr. H. O. Pantzer, of Indianapolis: I wish to commend the paper for its earnest discussion of puerperal fever and its advocacy of treatment according to cause. The subject presents many phases, all tempting discussion. I will apply my remarks to the pathology and incidentally to treatment. Our knowledge of the bacteria involved...

### Reviews

*This publication is really gripping and exciting. It really is basic but unexpected situations in the 50 % in the book. It is extremely difficult to leave it before concluding, once you begin to read the book.*

-- Prof. Salvador Lynch

*This ebook may be worth purchasing. it absolutely was writtern extremely completely and useful. You will not truly feel monotony at whenever you want of your respective time (that's what catalogs are for relating to when you ask me).*
