## WELLINGTON: A JOURNEY THROUGH MY FAMILY (PAPERBACK)

Orion Publishing Co, United Kingdom, 2015. Paperback. Condition: New. Language: English . Brand New Book. Reissued for the 200th anniversary of the Battle of Waterloo The first Duke of Wellington s victory at Waterloo in 1815 is remembered as one of our nation s greatest triumphs and, two hundred years on, the Iron Duke is still very much a public figure. But here, Jane Wellesley s family memoir paints an altogether more intimate and compelling portrait.Jane journeys through the past, unearthing memories and secrets to illuminate her family tree. It is a saga peppered with fascinating characters: the 2nd Duke was a full-time eccentric and had his lawnmower pulled by an elephant; the 7th Duke, Jane s grandfather, worked for MI6; and Jane s grandmother s involvement with writer Vita Sackville-West created ripples in the Bloomsbury set as well as her marriage.The Wellesley story shows how Wellington s descendants have lived on in the light of their ancestor s fame, and how a family is so much more than the history of one man.
