Penguin LCC US Apr 2015, 2015. Buch. Condition: Neu. Neuware - From the creator of Dragonbreath comes a tale of witches, minions, and one fantastic castle, just right for fans of Roald Dahl and Tom Angleberger. When Molly shows up on Castle Hangnail's doorstep to fill the vacancy for a wicked witch, the castle's minions are understandably dubious. After all, she is twelve years old, barely five feet tall, and quite polite. (The minions are used to tall, demanding evil sorceresses with razor-sharp cheekbones.) But the castle desperately needs a master or else the Board of Magic will decommission it, leaving all the minions without the home they love. So when Molly assures them she is quite wicked indeed (So wicked! REALLY wicked!) and begins completing the tasks required by the Board of Magic for approval, everyone feels hopeful. Unfortunately, it turns out that Molly has quite a few secrets, including the biggest one of all: that she isn't who she says she is. This quirky, richly illustrated novel is filled with humor, magic, and an unforgettable all-star cast of castle characters. 320 pp. Englisch.
