### **Reviews**

*This book will never be straightforward to start on looking at but extremely exciting to read. I actually have read through and that i am sure that i am going to gonna go through once more again in the future. I am happy to explain how this is the very best book i have read through in my individual lifestyle and may be he best publication for at any time.*

HMH Books for Young Readers. Paperback. Condition: New. 180 pages. Dimensions: 7.5in. x 5.1in. x 0.6in. A sixth-grade Goth girl who thinks she's a vampire encounters her greatest nemesis when she enrolls at Sunny Hill Middle School in this hilarious and entirely original take on the vampire genre for middle graders. Svetlana Grimm has recently discovered she's a vampire. The clues are all there: she can eat only red foods, has to sleep under the bed because of her heightened sensitivity to light and noise, and can read others' thoughts. But this new discovery is making her transition from home-schooling to attending sixth grade at Sunny Hill Middle School that much more difficult. After all, what can she possibly have in common with those jellybean-eaters in her class? She prefers to watch them from afar in her hidden lair atop the Oak of Doom in her backyard. But things get more interesting when Svetlana's cruel yet beautiful science teacher, Ms. Larch, reads her thoughts. Svetlana is excited to have found another of her kind until her new neighbor, The Bone Lady, fills her in on Ms. Larch's true identity and her own. What happens when your sixth-grade science teacher might also be your immortal enemy? This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
