LA PLURALITE COMME SOLUTION A LA MONDIALITE (PAPERBACK)

[DOWNLOAD](#)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: French . Brand New Book ***** Print on Demand *****.Il a existe plusieurs sortes de pluralites dans l histoire humaine, chacune correspondant a un etat des metaphores orchestrales en vigueur. La pluralite des religions a fonctionne par rapport a des logiques discursives qui les rassemblaient et les separaient a la fois. Ainsi les monotheismes occidentaux (moyen orient inclus) forment-ils une discussion sur le jugement porte par une instance superieure quant a la qualite des relations sociales: unite dans la dispersion pour le judaisme, egalite pour le christianisme, rassemblement des energies tribales nomades pour l islam. La pluralite des nations a tente de gerer (imperialismes inclus) l homogeneite des peuples, promis de toutes facons a l universalite. Mais quand cette derniere s instaure profondement avec la mondialite actuelle, on cherche la pluralite qui lui est adequate. Celle-ci s averera necessaire, pour autant que toute totalite est autoreference, et toute autoreference est paradoxe et finalement antinomie. Nous en vivons les souffrances et les symptomes au travers des reactivites violentes a l individualisme pour tous, cette logique totaliste inevitable de la modernite universaliste. Une pluralite specifique de notre temps reside probablement dans la division interne de la totalite mondiale, non plus seulement en religions et nations, mais en grandes dimensions ou modes de vie humains. Cette pluralite anthropologique commencera par faire scandale et marginalite, car elle s eleve contre la tendance a la fusionnalite etablie, par exemple, dans la souverainete nationale. Mais plus tard, elle est appelee a exiger sa part de souverainete mondiale: ainsi du monde des villes, du monde de la culture et de ses hauts lieux, du monde des vicinities, de celui de la nature non artificialisee, ou meme celui des technophilies. Ainsi, demain sera-t-il celui du multimonde et...
