It is suitable for complete beginners and for those who already have some knowledge of the language and provides between 90 and 120 hours of work. The series is intended to help students become confident in speaking and understanding simple English. It aims to train them to function well in the context of English as an international language and to give them a formalized knowledge of how English works to support their communicative practice. At the same time it aims to develop the good learning habits and techniques students need both in class and when studying on their own. The set of two cassettes has recorded dialogue, listening passages and speechwork exercises. 0 pp. Deutsch.
