Faber Music Ltd, United Kingdom, 2006. Paperback. Condition: New. Language: English . Brand New Book. Empire marks the triumphant return of Kasabian, the indie-electronica fusionists who became the heroes of 2004 with their self-titled debut album, and who dominated last year s summer festival circuit. Empire is their second album and sees them combining their rough vocal style and swagger with some stomping glam-rock sounds. This songbook features all the songs on the album arranged for voice with guitar tabulature.
