Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from An Introductory Address to the Medical Class of 73, of the Albany Medical College, Union University: Delivered October 2, 1873 Nay, shines, all radiance, o'er the scattered feet Of gulls and boobies brainless at its feet. I tell their fate, though courtesy disclaims To call our kind by such ungentle names; Yet, if your rashness bid you vainly dare, Think of their doom, ye simple, and beware! See where aloft its hoary forehead rears The towering pride of twice a thousand years! Far, far below the vast incumbent pile Sleeps the grey rock from art's Ocean isle; Its massive courses, circling as they rise, Swell from the waves to mingle with the skies; There every quarry lends its marble spoil, And clustering ages blend their common toil. The Greek, the Roman, reared its ancient walls, The silent Arab arched its mystic halls; In that fair niche, by countless billows laved. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
