Reviews

This publication may be worth purchasing. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

Forgotten Books, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Sunset All-Western Cook Book How to Select, Prepare, Cook, and Serve, All Typically Western Food Products: Recipes Included for Favorite Regional, and Foreign Dishes Peculiar to the West Cook books and cook books there are in great abundance - collections of old Southern recipes, New England recipes, Chinese recipes, recipes for entrees, for meat dishes and meatless dishes, and so on in uncounted number. Strange to say, in all this profusion of excellent cook books, general or specific in purpose, the West and its products have been largely ignored. Many of these are, of course, shipped to other sections of the country. A good many others, however, cannot well be shipped, and so are enjoyed in all their deliciousness right here at the source of supply. Of those products that are shipped East, we of the West have greater abundance at lower prices, and we have them at their best, fresh from ranch garden or orchard or from the Pacific itself. This Sunset All-Western Cook Book makes no pretense of being a complete cook book that will answer all your questions about ordinary cooking and baking. There are too many good general cook books on sale now for us to attempt to gather into one volume all the wisdom of that sort. Instead, we have, so far as possible, omitted the ordinary recipes and information that are found in every...
