RAINDANCING: WHY RATIONAL BEATS RITUAL (HARDBACK)

Troubador Publishing, United Kingdom, 2013. Hardback. Condition: New. Language: English . Brand New Book. This groundbreaking book launches a passionate crusade for rational marketing - based on facts and data, rather than guesswork, traditions and rainedancing. Marketing without measurement is myth. Until now, says Glenn Granger, marketers have been flying blind. Even the big brands that can afford to pay consultants for data modelling and forecasting are only getting snapshots, retrospectively, once or twice a year. And media costs are...

Reviews

Completely essential read through publication. It normally does not expense excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.
