Penguin Putnam Inc, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book. National bestselling author Hannah Reed brings mystery lovers the first in a brand-new series, in which a young writer finds herself swept up in a murder amidst the glens and lochs of the Scottish Highlands. After the recent death of her mother and the dissolution of her marriage, thirty-something Eden Elliott is seriously in need of a fresh start. At the urging of her best friend, bestselling author Ami Pederson, Eden decides to embark on an open-ended trip to the picturesque village of Glenkillen in the Scottish Highlands, to do some hands-on research for a book of her own. But almost as soon as Eden arrives in the quaint town, she gets caught up in a very real drama. The town's sheep shearer is found murdered--clipped with his own shears--and the locals suspect Vicki MacBride, an outsider whose father's recent death left her the surprise heir to his lucrative sheep farm. Eden refuses to believe the affable heiress is a murderer, but can she prove that someone is out to frame her new friend before she finds herself on the receiving end of more shear terror?.
