

## Development of Welfare States in Europe and America

By -

Transaction Publishers, United States, 1995. Paperback. Book Condition: New. New edition. 224 x 153 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This volume seeks to contribute to an interdisciplinary, comparative, and historical study of Western welfare states. It attempts to link their historical dynamics and contemporary problems in an international perspective. Building on collaboration between European and American-based research groups, the editors have coordinated contributions by economists, political scientists, sociologists, and historians. The developments they analyze cover a time span from the initiation of modern national social policies at the end of the nineteenth century to the present. The experiences of all the presently existing Western European systems except Spain and Portugal are systematically encompassed, with comparisons developed selectively with the experiences of the United States and Canada. The development of the social security systems, of public expenditures and taxation, of public education and educational opportunities, and of income inequality are described, compared, and analyzed for varying groupings of the Western European and North American nations. This volume addresses itself mainly to two audiences. The first includes all students of policy problems of the welfare states who seek to gain a comparative perspective and historical understanding. A second...
