Mercer University Press. Paperback. Book Condition: new. BRAND NEW, The Color of All Things: 99 Love Poems, Philip Lee Williams, Moving and filled with unexpected ideas and imagery, The Color of All Things is a love letter from one man to one woman, but it offers love from each of us to all of us. Brimming with a touching and generous joy, this is a book of everyday needs that can only be filled with a genuine and lasting love. This is the third volume of poetry from Philip Lee Williams, following on his *Elegies for the Water* and his national book of the year (Books and Culture magazine) *The Flower Seeker: An Epic Poem of William Bartram*. Like his other volumes of poetry, *The Color of All Things* moves slowly through the natural world without sentimentality but with surefooted grace and lovely rhythms. Georgia poet laureate Judson Mitcham says that in Williams's poetry we hear "the distinctive voice of a poet who knows how to tell the stories that matter, how to hold still and take a good look at the natural world and let himself be filled with praise, a poet who knows how to find the right prayer and how to pray it."
