Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: French . Brand New Book ***** Print on Demand *****.Dans un pays imaginaire, qui ressemble a s y meprendre a l Amerique du Sud, un enfant, Pedro, nait avec un glaieul sur le pubis. Pendant 3 ans, le Docteur Montoyas va enquerer sur le sujet. Malgre de nombreuses lectures, des correspondances avec les plus eiminents medecins du pays et les biologistes les plus renommes, Montoyas n arrive toujours pas a expliquer scientifiquement comment une fleur avec des racines, identique en tout point a celles qui poussent en terre, prospere sur un milieu aussi peu propice que la chair d un garcon et, qui plus est, en se passant de lumiere. Le temps passe. Plus l enfant grandit, conscient de sa malformation, plus il se coupe du monde et se promet une destinee exceptionnelle, jusqu au jour ou son genome est decode et exploite. Et si Pedro n etait pas le seul humain-vegetal ? A la limite du roman d anticipation et de la fable contemporaine, l Homme-glaieul est une belle, profonde et originale reflexion sur l evolution de l espece humaine.
