

Parsi, Jaina, and Sikh or Some Minor Religious Sects in India (Paperback)

Filesize: 3.93 MB

Reviews

The book is not difficult to read through better to recognize. It really is written in straightforward terms instead of confusing. I am happy to inform you that this is actually the finest publication I actually have read in my individual daily life and may be the best book for possibly.

PARSI, JAINA, AND SIKH OR SOME MINOR RELIGIOUS SECTS IN INDIA (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.From the PREFACE WITH A WORD OF INTRODUCTION. Amidst the many evolutions of Indian religious thought, there is often a danger of losing sight of individual influences at work. The selection of these three religious sects of Parsi, Jaina, and Sikh will, it is hoped, stimulate further study of those ages of religious inquiry which have given birth to so many schools of thought. The Parsi and the Sikh religions are of twofold interest, as being religious faiths that have given birth to nations. Parsi-ism has, therefore, been treated more from an historical than a present-day standpoint, which latter fails to give a true impression of its value as a study. The Parsi can rightly claim to have encouraged the study of philology, and of the comparative method of investigating the religions of the world. The distinctive tenets of the Jaina take us, for their origin, back to the Buddhist era in India-that greatest era of religious speculation that the world has ever known. And hence the study of Jaina philosophy throws many side-lights on the origin of Buddhism and the period which gave it birth. It is time that this were recognized more widely by Anglo-Indians. The Sikh remind us of the entrance of Islam into India, and the era of its struggle with reforming Hinduism. Their faith embodies both the pantheism of the Brahman and the monotheism of the Muslim, being itself the product of the reflections of successive teachers under both these influences. -D. M. T., All Saints Day, 1898.
