Thomas Nelson on Brilliance Audio, 2015. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. A vacation to Sunset Cove was her way of celebrating and thanking her parents. After all, Claire Dellamore s childhood was like a fairytale. But with the help of Luke Elwell, Claire discovers that fairytale was really an elaborate lie. The minute she steps inside the grand Inn at Ocean s Edge, Claire Dellamare knows something terrible happened there. She feels it in her bones. Her ensuing panic attack causes a scene, upsetting her parents. Claire attempts to quiet her nerves with a walk on the beach, to no avail. She s at too great a distance to make out details, but she believes she witnesses a murder on a nearby cliff. When local police find no evidence of foul play, they quickly write off the nervous woman s testimony as less than credible. But Luke Elwell, home on leave from the Coast Guard, has reason to believe Claire. Years ago when his mother went missing, Luke s father suspected she d been murdered. He died never having convinced the police to investigate. So when an employee of the grand hotel doesn t show up for work, Luke steps in to help Claire track down the missing woman. As Claire and Luke put together the pieces of a decades-old mystery, they discover that some family secrets refuse to stay buried. And some passions are worth killing for.
