Penguin Audiobooks, 2017. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. A family can t escape their secrets when they re forced to spend a week in quarantine in this sharply funny (People) novel--an Indie Next and #1 Library Reads Pick! Witty and deeply heartfelt. -- Emily Giffin It s Christmas, and for the first time in years the entire Birch family will be under one roof. Even Emma and Andrew s elder daughter-- who is usually off saving the world--will be joining them at Weyfield Hall, their aging country estate. But Olivia, a doctor, is only coming home because she has to. Having just returned from treating an epidemic abroad, she s been told she must stay in quarantine for a week.and so too should her family. For the next seven days, the Birches are locked down, cut off from the rest of humanity--and even decent Wi-Fi--and forced into each other s orbits. Younger, unabashedly frivolous daughter Phoebe is fixated on her upcoming wedding, while Olivia deals with the culture shock of being immersed in first-world problems. As Andrew sequesters himself in his study writing scathing restaurant reviews and remembering his glory days as a war correspondent, Emma hides a secret that will turn the whole family upside down. In close proximity, not much can stay hidden for long, and as revelations and long-held tensions come to light, nothing is more shocking than the unexpected guest who s about to arrive. theSkimm Reads Pick New York Post Required Reading One of Elite Daily s Books to Read This Fall Liz Lisa s Best Books of October Brit + Co s Best of October Roundup One of BookRiot s October Must-Reads.
