By Peter Bognanni

Penguin Putnam Inc. Paperback / softback. Book Condition: new. BRAND NEW, The House of Tomorrow, Peter Bognanni, "A funny and unique debut." ("Publishers Weekly"). Sebastian Prendergast lives with his eccentric grandmother in a geodesic dome. His homeschooling has taught him much-but he's learned little about girls, junk food, or loud, angry music. Then fate casts Sebastian out of the dome, and he finds a different kind of tutor in Jared Whitcomb: a chain-smoking sixteen-year-old heart transplant recipient who teaches him the ways of rebellion. Together they form a punk band and plan to take the local church talent show by storm. But when his grandmother calls him back to the futurist life she has planned for him, he must decide whether to answer the call-or start a future of his own.
