

Art, Symetrie Vie (Paperback)

Filesize: 4.84 MB

Reviews

Good e book and helpful one. It is really basic but excitement from the 50 % of your pdf. Your way of life span is going to be enhance when you comprehensive looking at this pdf.

(Novella Maggio)

ART, SYMETRIE VIE (PAPERBACK)

Editions-Dhart, 2015. Paperback. Condition: New. Harouna Drame (illustrator). Language: French . Brand New Book ***** Print on Demand *****.ART, SYMETRIE VIE, une anthologie majeure de mes uvres d art, exprime ma profonde certitude du dualisme et de la relativite qui animent la vie. Du trivial sans doute au sublime, est l impression qui exsude de cette multitude d uvres d art abstraites, generiques et empreintes de polymorphismes symboliques polychromiques stupefiants et inedits! A l origine de la vie, de toute organogenese et morphogenese semblent coexister la symetrie et l asymetrie ! L Art se presente comme un moyen de simulation, d eveil ou de therapie des sens, un soutien inestimable a la science de par sa nature suggestive (formation, deploiement et agencement repete de patterns, de symboles pluridirectionnels), et ouvre des fenetres d excursion, d evasion, de comprehension sur la creation et la dissemination de la vie. Ces polymorphismes et polychroismes artistiques nous émerveillent, nous étonnent sans doute, mais s inclinent devant l immensite de la nature, la diversite de vie (anatomique et phenotypique), et des elements constituaunts si innombrables, apparents et caches et qui sont tous subtilement et magnaniment mus par une causalite deterministe! Au-dela, il s agit de l universalite de l Art; l Art epure de ses prejuges identitaires qui epouse librement toutes les frontieres des societes humaines et de la vie. L art traditionnel et l art moderne numerique trouvent ici un excellent conciliabule pour celebrer l harmonie et l excellence du mythe meme de l Art, c est-a-dire de la subtilite de la creation! ART, SYMETRIE et VIE, c est aussi ART, SCIENCE et VIE !.
