America s Grand Obesity Plan is a fictional humorous view of American dietary history through the eyes of an imaginative young man s journey through life. The book follows a journey from the author s time in kindergarten, Marine Corps Boot Camp, and adult hood while the firm operates behind the scenes manipulating our countries government. Follow his imaginative quest for the truth as the firm administers its diabolical plan to systematically make the American populous fat through food additives and bio-engineered foods. While our author s waist line has grown over the years, his spouse suddenly takes ill and has emergency gall bladder surgery. This procedure now inadvertently causes a new discovery that now appears ultimate secret to permanent weight loss. As the news travels across the internet of this new found dietary break through, the author s journey is now on a dangerous collision course with the firm. I was born in Huntington, W. Va. in March of 1964. My family moved to Clearwater, Fl. where my father was a store manager in nearby Tampa. We later moved to Savannah, Ga. after my father became a Pastor. I have claimed Savannah, Ga. as home where I grew up and went to High School and College. I joined the Marine Corps and went to boot camp at Paris Island, S.C. in September of 1984. I was honorably discharged from active duty in May of 90. After returning to Georgia, I moved to Statesboro and went to work at a local company that is still in business today. After about a year at the plant, I went to work selling copiers for a...
