Rosen Young Adult, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book. Alternative education models are becoming increasingly popular with students who may not be able to afford the high tuitions of traditional brick-and-mortar schools or commit to their rigid schedules. Requiring only an Internet connection and minimal software, Massive Open Online Courses, or MOOCs, are amongst the most accessible distance learning programs. They often offer free enrollment and a wide range of courses from top schools across the globe to students in even the remotest of areas. This volume evaluates the pros and cons of MOOCs in relation to traditional education and the exciting possibilities they open for students of all ages.
