Who made them or for what purpose, he doesn't know. One thing is certain, however: he is trapped and at the mercy of those who took him captive. The intentions are soon made clear with the appearance of two super-powered beings: the tank-like Battle Bruiser and the playful femme fatale Lady Fire. Soon the battle begins and Axiom-man is forced to survive against those with powers that rival his own. And it seems these two new metahumans are only the beginning. Something is brewing beneath the surface of reality, something sinister that will change the course of history and Axiom-man's life forever. Something is rumbling. About the Author: A.P.
