Deep in the Middle East, one young woman stands against the evils of ISIS on her own-after a tragedy in her past at the hands of extremists, Ren is determined to save innocent lives and defend her country from invading terrorists. Yet after she s kidnapped by the same forces she fights against, it takes an American soldier (inspired by a real-life hero) to rescue her.and Colonel Mark Thomas has never met a woman whose bravery he admires so much. Captivated by her beauty and determination, Mark joins forces with Ren to stop the ISIS radicals from carrying out a plot involving weaponized Ebola that could cripple the Western hemisphere and destroy democracy, freedom, and peace. Their mission takes them from the African jungle to the Syrian desert, and they find themselves becoming more than fellow soldiers with each danger they face. Piroz The Isis Slayer is a breathtaking thriller that honors the brave women who fight ISIS on the front lines; the title takes its inspiration from a teenage girl of the same nickname who singlehandedly killed in one day nine ISIS men who were terrorizing her village.
