By Mark Williams

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.How old were you when you discovered Sherlock? As part of the Classics For Kids series international best-selling author Mark Williams is proud to present this adaptation for children of the Sherlock Holmes short story The Engineer's Thumb. This is the American-English edition. American-English? Although we speak the same language, we spell many words differently depending on which side of the Atlantic we are. UK = colour, US = color; UK = marvellous, US = marvelous; UK = theatre, US= theater, etc. This sometimes causes problem for children at school, so in response to requests from school librarians there are now British-English and American-English versions of the Sherlock For Kids books. Come join Holmes and Watson as they solve the mystery of the engineer's thumb in a child-friendly, twenty-first century English, with the seamier side of Victorian life left out. Ideal for children aged 9-12 to get started with the world's most famous detective. Other books in the Sherlock Holmes re-told for children series: -The Blue Carbuncle -Silver Blaze -The Red-Headed League -The Engineer's Thumb -The...
