

## Finland's War of Choice: The Troubled German-Finnish Coalition in World War II

Filesize: 7.5 MB

### **Reviews**

*This book is great. it was writtern quite flawlessly and helpful. You will not truly feel monotony at whenever you want of your time (that's what catalogs are for concerning if you ask me).*  
(Sterling Kris)

## FINLAND S WAR OF CHOICE: THE TROUBLED GERMAN-FINNISH COALITION IN WORLD WAR II

Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. This book describes the odd coalition between Germany and Finland in World War II, and their joint military operations from 1941 to 1945. This is a topic often missing in English, though in stark contrast to the numerous books on the shorter and less bloody Winter War. That conflict represented a gallant fight of a democratic David against a totalitarian Goliath that caught the imagination of the world. The story of Finland fighting alongside a Goliath of its own has not brought pride to that nation and was a period many Finns would rather forget. The prologue of this book brings the listener up to speed by briefly examining the difficult history of Finland, from its separation from the Soviet Union in 1917 to its isolation after being bludgeoned in 1939-40. It then examines both Finnish and German motives for forming a coalition against the USSR, and how as logical as a common enemy would seem the lack of true planning and preparation would doom the alliance. This book posits that it was mind-boggling how the highly professional German General Staff allowed itself to accept the militarily unsound and shaky coalition that resulted. The war aims were not discussed or harmonized, there were no campaign plans with tasks and missions spelled out past the initial assault, no effective main effort established, inadequate force levels, and an unsound command structure with various headquarters. Practically every rule in the book was broken. The objective of linking up with the Finns in the Leningrad area was an important factor in Hitler opting for three main drives into the Soviet Union rather than an earlier OKH plan that called for only two. After describing the operations during and after Barbarossa,...
