Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Mrs. Maitland s SAD Valentine Brad Spencer is a school custodian in his twenties, and he is spiraling out of control as the short days of winter drive him to depression. Judy Maitland is a widowed biology teacher in her forties with a Valentine s Day lesson plan to mate her classroom pets-ball pythons. When Brad hits rock bottom, he confesses his sins to Mrs. Maitland s bearded dragon. She makes an after-hours visit to her classroom to check on the pythons and overhears him. She hatches a plan to enlist his help with the snakes and keep him from committing suicide. As they care for the pythons together, they become attracted to each other, and Mrs. Maitland gives Brad a very sexy lesson on the female anatomy. Just when their feelings for each other turn to love, Brad s ex-girlfriend shows up and Judy is left to wonder if she has a place in Brad s life. Will Mrs. Maitland bring Brad from the darkness of depression and despair to the light of hope and love? Mrs. Maitland s SAD Valentine is an award-winning erotic romance that makes you feel things-hate, arousal, sympathy, concern, hope, lust, suspense and ultimately love. This smart, sexy love story contains very explicit sex and is intended for a mature audience. While studying Bio, a scream...
