A BRIEF SKETCH OR THE EARLIEST HISTORY OF MICHIGAN S GREAT LAKE REGION NOW THE SUMMER LAND OF THE MIDDLE WEST (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from A Brief Sketch or the Earliest History of Michigan s Great Lake Region Now the Summer Land of the Middle West The first point to attract the eye on looking at the map of the United States is Michigan, surrounded by her clear blue inland seas. Three great peninsulas, the upper and lower peninsulas of Michigan, and the Canadian peninsula, press down upon the waters of the Great Lakes system, forming the Straits of Mackinaw, from seven to nine miles in width. Early writers com pared these straits to the Straits of Gibraltar and to the Bosphorus. Lake Michigan, the west boundary of Michigan, covers sixteen thousand nine hun dred and eighty-one square miles. Lake Huron on the east has an area of seven thousand eight hundred and twenty-eight square miles. When the white man came, these great waterways were his only highways; they were the highways of the native Indians, who also penetrated the wilderness over intricate silent trails. The combined length of these two lakes is six hundred and thirteen miles, and along their Michigan shores, like a ribbon of white, runs the Dixie Trail with its roadside planting of trees, its two ends meeting at old Mackinaw. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
